May 5, 2025

Bongani Mbambiso

has successfully completed the online, non-credit Specialization

Mergers and Acquisitions

In a post-pandemic world, companies across the globe are constantly looking to expand and grow their businesses. Mergers and Acquisitions (M&A) offer a plethora of ways to achieve this goal. The M&A Specialization is structured to provide a well-rounded knowledge of the key facets of successful M&A deals. Specifically, the learner will :

(1) Develop strategies to facilitate organizational success.
(2) Understand the foundational elements of financial statement and ratio analysis.
(3) Examine practical applications of financial analysis and valuation techniques.
(4) Understand financial modeling and capital structure.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
